Raiders Edge Rustburg 58-53

The Appomattox Raiders struggled back in the fourth quarter after falling behind 44-43 to beat the Rustburg Red Devils 58-53 in a Seminole District basketball game last Friday night at Rustburg. The victory gave the Raiders a 2-0 mark overall and 1-0 in the district. Rustburg fell to 1-1 overall and in the district also.

The Red Devils took a 14-13 lead at the end of the first quarter, but Appomattox came back strong in the second quarter to outscore Rustburg 12-8 for a 25-22 lead. Leon Robinson, the big 6-5 senior for Appomattox, hit 10 of the 12 points in that quarter. The two teams fought on even terms in the third quarter as they both scored 18 points and Appomattox still had its three point lead 43-40. The Raiders got eight points from Bobby Layne in the fourth quarter and out scored Rustburg 15-13. Layne hit three of four foul shots in the last 12 seconds of the game to put the game out of reach at that point.

Leon Robinson led the Raiders and all other scorers with 26 points, coming on 10 field goals and six of eight free throws. At one point during the game Robinson hit on eight straight field goal attempts. Layne was next for the Raiders with 16 points, 12 coming in the second half.

Rustburg had three men in double figures as Victor Wood led them with 18, Curt Carlton had 17 and Alton Turner had 12.

The Red Devils pulled down 42 rebounds to 34 rebounds for the Raiders and Appomattox committed 14 turnovers to seven for Rustburg. The Appomattox team hit about 35% from the floor to about 31% for Rustburg. The difference was at the foul line as Appomattox hit on 20 of 27 shots and Rustburg shot only seven and hit on five of them. Rustburg outshot the Raiders 24 to 19 from the floor.

Layne led Appomattox in rebounds with 15 and Robinson hauled down eight.

Rustburg trailing 55-53 with less than a minute to play had two chances to tie the game. At one time they missed a shot and then missed three straight tip-in attempts before Appomattox the rebound. Seconds later the same thing happened as they missed the tip-ins and the Raiders came down with the rebound and this time Layne was fouled with 12 seconds and made two free throws for a 57-53 lead and with four seconds he hit another free throw to clinch it.

Drive With Care During Holiday Season

Richmond, Va. – When making your Christmas shopping plans, remember to include safe driving practices for the special holiday driving hazards, said John T. Hanna, Director Virginia Highway Safety Division.

In 1971, the 78-hour Christmas weekend saw 13 fatalities on Virginia highways, two of which occurred on Christmas Day.

"Unless drivers and pedestrians exercise more care in watching out for each other and the other guy, the fatality toll this Christmas may be higher," Hanna continued.

Darkness, weather conditions, distracted shoppers and holiday travelers contribute to the Christmas confusion for the pedestrian and the driver alike.

There are more hours of darkness at this time of year, lessening visibility for the pedestrian and the driver. Vision also may be impaired by numerous packages carried by shoppers or piled too high in the car.

Poor walking and driving conditions such as snow or rain demand extra alertness on the part of the pedestrian and the motorist.

"Remember also," Hanna said, "that Christmas means a vacation for school children – children who become so excited they may forget the rules of good pedestrian safety."

Seat belts are one of the most important ways to prevent fatal crashes during this holiday period and throughout the year, Hanna continued. Seat belts not only minimize the chances of the passenger being thrown into the car's windshield, they also aid in helping him keep a proper riding posture and be more alert.

Hanna also warned of wrong way driving on expressways. He stressed the importance of motorists using rest areas for stopping places, not the emergency lane of the highway unless for car trouble.

"A final reminder," the safety official said, "is to obey posted speed limits. Three out of four fatal crashes at Christmas involve speed to fast for conditions or above the posted limit. Alcohol also figures in at least half of all fatal crashes and the percentage rises sharply during the Christmas-New Year period."
